

The image shows a hand-drawn pattern for a newborn hat on a grid background. The pattern consists of two main parts: a tall, narrow band with a rounded top and a wide, shallow, dome-shaped crown. The band is labeled 'with tie'. The crown is labeled 'Newborn Hat'. Below the crown, there are instructions: 'stretch' with a double-headed arrow indicating width, 'cut 2' indicating the number of pieces, and a vertical double-headed arrow labeled '1 inch' indicating the height of the crown.
