

Touching Little Lives
Step by step Sewing Tutorial
Newborn sleeper

Step 1: sew both sleeves to back

Step 2: sew both fronts to sleeves

Step 3: serge both fronts for finished look

Step 4 sew ribbing to both sleeves

Step 5: Right sides together, match front & back, fold fronts over, pin.

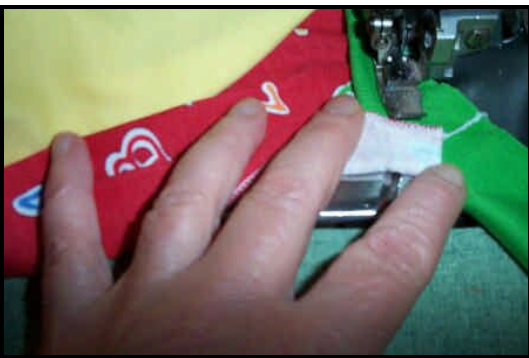

Step 6: sew, starting at one sleeves, all the way around the body, ending at the other sleeve

Step 7: Sew ribbing to neckline. Cut ribbing in an angle. Place right sides together on neckline

Step 8: fold over front (ribbing is sandwiched between front and neck) sew through all layers. Adjust your ribbing to neck, and continue sewing neckline, stretch ribbing gently

Step 9: at the end of neckline, bring ribbing to your right (serger will cut it off) stop stretching, fold front over and sew straight through all layers

Step 10: view of neckline- wrong side

Step 11: weave in all serger tails, turn right side out, ad snaps
